The Marking Destiny Diess 2021-03-22 She's sure everyone can live together. But when her father and this wolf-pack leader clash, she'll have to choose a side... Mae Cogan's father warned her off werewolves. But she stubbornly believes that humans and shifters deserve to peacefully coexist, even if dating them could be dangerous. And when she's instantly attracted to a rugged and sexy alpha, she abandons all caution for a chance to get intimate. Damon Hale knows he must earn his pack's respect. After his brother's suicide, the best thing for his people would be to find his true shifter mate and show his leadership. But when an alluring human turns out to be his destiny, he fears claiming an outsider as his partner will only lead to tragedy. As Mae battles loyalty to her father and her longing to be in Damon's arms, she starts to doubt whether it's worth betraying family for the rough and violent ways of the wolf. And caught between protecting his own and fulfilling his needs, Damon is forced to push her away when pups start getting kidnapped. Will the fated pair give in to their passions and let love forge the strongest bond? The Marking is the captivating first book in The Moon Goddess paranormal romance series. If you like dark stories, steamy encounters, and thrilling twists and turns, then you'll adore Destiny Diess's enthralling tale. Buy The Marking to shift into darkness today!

The Mind Puzzle Rajesh Subramanian 2021-06-25 What should we do if we forget our identity or sitting on a beach? How to handle a situation if we end up in a spooky place without the idea of how we entered and how we came out of the place to the beach but our head pains for answers? This is my situation in this book. I was sitting on a beach with my girl and we were witnessing a death along with other people. I forgot my identity and I forgot how I came to the beach. When I closed my eyes to understand the past incidents, different scenes came in different chronological orders, which created my headache. I met different people and experienced more horrors in the past three days. I need to withstand the pain and join the different pieces of events in a timely manner to solve my life puzzle.

**The General Theory of Employment, Interest, and Money** John Maynard Keynes 2019-10-05 The General Theory of Employment, Interest, and Money, written by legendary author John Maynard Keynes is widely considered to be one of the top 100 greatest books of all time. This masterpiece was published right after the Great Depression. It sought to bring about a revolution, commonly referred to as the 'Keynesian Revolution', in the way economists thought—especially challenging the proposition that a market economy tends naturally to restore itself to full employment on its own. Regarded widely as the cornerstone of Keynesian thought, this book challenged the established classical economics and introduced new concepts. 'The General Theory of Employment, Interest, and Money' transformed economics and changed the face of modern macroeconomics. Keynes' argument is based on the idea that the level of employment is not determined by the price of labour, but by the spending of money. It gave way to an entirely new approach where employment, inflation and the market economy are concerned.
