Playing With Fire Stacey Lynn 2020-08-11 Jude Taylor swept me off my feet the moment I met him. Literally. He chased me. Tried to win me. For the first time in my life, he made me feel like taking a risk might not be so scary. As soon as I gave in, everything was ripped away. I knew I never should have trusted him. Not with my dreams. And most definitely – not with my heart.

Hard Checked Stacey LaCock 2020-09-15 Getting served divorce papers was not how I planned spending New Year's Day. I probably shouldn't have gone to my favorite bar and gotten wasted trying to drown my sorrows. I definitely shouldn't have spent the night passed out in the bed of the bartender's daughter, Gigi. And the absolute last thing I should have done was let my guard down and start having fun. Now I'm thinking of her all the time... fantasizing about the things I want to do to Gigi. I'm in the middle of the best hockey season of my life. I need my head in the game and my focus on the playoffs – not playing house with the gorgeous bartender who makes me feel more alive than I have in years. Finding someone new so soon after a failed marriage isn't the smartest thing I've ever done. But it just might be too late. I've been checked hard into the boards, right off my skates, and I'm not only spinning out of control... I might just be falling in love all over again.

Long Road Home Stacey Lynn 2021-01-16 I left home ten years ago, promising myself I'd never return to the place where I had never been accepted. I was despised and ridiculed for circumstances completely beyond my control. But when my grandmother passes away, I'm forced to return to Kansas. I will have to face everyone who hated me. But they're not who I'm most afraid of. My biggest fear? Facing him. Jordan Marx. The boy I once loved more than life itself. The boy who defended me from them. The boy I'd disappeared on, leaving him nothing more than a horrible nasty lie and hastily scribbled note. When Jordan finds out the secret I have carried for so long, I'm in for the battle of my life. Or so I thought. I might have wandered for years on a path riddled with thorns but with Jordan by my side, taking the long road home means more than reuniting with the only man I've ever loved. It might just mean finding myself, and the family I never thought I could ever have along the way.

Despite Chaos Stacy Lynn Miller 2022-01-18 Two women trying to navigate their crumbling worlds have a chance encounter that forever changes the trajectories of both their lives.

Knocked Up Stacey Lynn 2018-06-12 First comes love. Then comes marriage. Then comes baby in a baby carriage. Just not necessarily in that order. . . . Braxton: I should probably be dead or in jail right now. Instead, thanks to some tough love, I worked my ass off and now I own a string of tattoo parlors throughout the Pacific

Northwest. And yet the one thing I've always wanted—a family—still seems out of reach. When my best friend gets married, I'm just hoping to blow off some steam with the super-hot maid of honor. But after Cara Thompson tracks me down to tell me she's pregnant, she's more surprised than I am when I tell her I'm all in. Cara: For the first time in my life, I'm living for myself—not for my parents and their ridiculous expectations. I gave up on my MBA, dropped out of the Ivy League, and moved to Portland to pursue my dream of becoming an artist. And what's the first thing I do? Get knocked up. For a tatted-up sex god, Braxton Henley seems way too eager to “be there for me.” Is this guy serious? Maybe. He sure is patient. Because he won't back down until I admit what I know in my heart: that our one night stand might've led me to the one. His to Protect Stacey Lynn 2016-07-12 A warm home for broken hearts, the *Fireside Grill* serves up hope and healing in equal measure. Stacey Lynn's sensual, deeply emotional series heats up as a jaded restaurateur falls hard for a woman who's hiding from a damaged past. Declan James lost his last ounce of trust the day his wife walked out the door, leaving him to save the restaurant they built together. Throwing himself into his work, Declan swears off women—or at least, women who expect him to stick around in the morning. But when he discovers a skittish beauty scrounging through the *Fireside's* trash to feed her dog, Declan offers her a job and a place to rest her head. There's just something about her that awakens his protective side. And soon, not even that mangy mutt can stop Declan from caring for her. After one too many trips to the ER, Trina Wilson finally gathered the courage to leave her husband, taking only her car and hyperactive boxer. Unfortunately, life on the run proves harder than she anticipated—until Declan takes a leap of faith on her. But even as Trina starts to see beyond his gruff exterior, she can't relax, even for a moment. Not with her husband still tracking her down. What Trina doesn't know is that in Declan, she has a powerful ally—and, if she would only follow her heart, a devoted lover. Praise for *His to Protect* “Stunning characters and a bright, refreshing voice drew me in on the first page. I didn't want to put it down!”—New York Times bestselling author Claudia Connor “There's just something about a damsel in distress that gets me every time. Add in a strong woman and a dog? I'm done! Before We Fell Stacey Lynn 2021-01-16 For every action, there is an equal and opposite reaction. The horror that rocked my small town last winter also brought Noah Wilkes into my life. The first almost broke all of us, but the second changed everything. He stomped into my classroom all angry scowls and rudeness, the big-shot lawyer who was always too good for this small town. But the moment his smile softened toward his niece, it was me that melted. The heartbreak that brought him back also brought me closer to him, to the man he hides from the world behind his swagger and aggression. The man I couldn't help but fall for. But life has a way of throwing a curveball when you least expect it, and this one could cost me everything--even him. Turned out, our fates were written in the sky before we ever met— Before we fell.

You'll Miss Me When I'm Gone Rachel Lynn Solomon 2018-01-02 “Heartfelt, deeply moving.” —Buzzfeed “Dark and thought-provoking.” —Publishers Weekly “A stunning debut.” —VOYA A poignant, lyrical debut novel about twins who navigate first love, their Jewish identity, and shocking results from a genetic test that determines their fate—whether they inherited their mother’s Huntington’s disease. Eighteen-year-old twins Adina and Tovah have little in common besides their ambitious nature. Viola prodigy Adina yearns to become a soloist—and to convince her music teacher he wants her the way she wants him. Overachiever Tovah awaits her acceptance to Johns Hopkins, the first step on her path toward med school and a career as a surgeon. But one thing could wreck their carefully planned futures: a genetic test for Huntington’s, a rare degenerative disease that slowly steals control of the body and mind. It’s turned their Israeli mother into a near stranger and fractured the sisters’ own bond in ways they’ll never admit. While Tovah finds comfort in their Jewish religion, Adina rebels against its rules. When the results come in, one twin tests negative for Huntington’s. The other tests positive. These opposite outcomes push them farther apart as they wrestle with guilt, betrayal, and the unexpected thrill of first love. How can they repair their relationship, and is it even worth saving? From debut author Rachel Lynn Solomon comes a luminous, heartbreaking tale of life, death, and the fragile bond between sisters.

Wilson Literary Science Writing Award* It is worse, much worse, than you think. The slowness of climate change is a fairy tale, perhaps as pernicious as the one that says it isn't happening at all, and if your anxiety about it is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible, even within the lifetime of a teenager today. Over the past decades, the term "Anthropocene" has climbed into the popular imagination - a name given to the geologic era we live in now, one defined by human intervention in the life of the planet. But however sanguine you might be about the proposition that we have ravaged the natural world, which we surely have, it is another thing entirely to consider the possibility that we have only provoked it, engineering first in ignorance and then in denial a climate system that will now go to war with us for many centuries, perhaps until it destroys us. In the meantime, it will remake us, transforming every aspect of the way we live—the planet no longer nurturing a dream of abundance, but a living nightmare.

Fake Wife Stacey Lynn 2018-01-09 This marriage is strictly business . . . until the temptation gets way too real. Corbin: I loved my grandma, but I don't need her money. All I care about is keeping the house—the only place that's ever felt like home. That, and screwing over my dad, who wants to turn the property into a mall. There's only one catch: To receive my inheritance, I have to get married within six months. Me, the guy who's never dated a girl for more than six minutes. Now I need to find a woman I can trust. So when I'm rear-ended by a Prius, I figure it's a sign that I'm supposed to meet gorgeous, down-to-earth Teagan Monroe. Teagan: First I lose my job. Then I come home and find out—in the most graphic way possible . . . yeah, that way—that my boyfriend is a cheating jerk. And then I speed off and nearly kill Portland's sexiest bachelor. Corbin Lane should be pissed. Instead, he offers me more money than I've ever seen in my life to marry him and live together in a mansion for two years. No sex. No feelings. Just cash—enough to make all my dreams come true. Then we go and break all our rules . . . and I realize I'm falling in love with my fake fiancé. The steamy standalone novels in Stacey Lynn's
