**Ngaio Marsh** Bruce Harding 2019-06-12 □ Considered one of the "Queens of Crime"—along with such greats as Agatha Christie, Dorothy Sayers and Margery Allingham—Ngaio Marsh (1895-1982) was a gifted writer and a celebrated author of classic British detective fiction, as well as a successful theater director. Best known for the 32 detective novels she published between 1934 and 1982, she was appointed a Dame Commander of the British Empire (DBE) in 1966. **Death in a White Tie** Ngaio Marsh 2012-12-15 A high-society homicide is the talk of the London season . . . "Marsh's writing is a pleasure." —*The Seattle Times* It's debutante season in London, and that means giggles and tea-dances, white dresses and inappropriate romances . . . and much too much champagne. And, apparently, a blackmailer, which is where Inspector Roderick Alleyn comes in. The social whirl is decidedly not Alleyn's environment, so he brings in an assistant in the form of Lord "Bunchy" Gospell, everybody's favorite uncle. Bunchy is more than lovable; he's also got some serious sleuthing skills. But before he can unmask the blackmailer, a murder is announced. And everyone suddenly stops giggling . . . "It's time to start comparing Christie to Marsh instead of the other way around." —*New York Magazine* "[Her] writing style and vivid characters and settings made her a mystery novelist of world renown." —*The New York Times*

**Drowning in Air** Judy Fitzwater 2016-04-27 Blood. All over her hands. And Eva Keller doesn't know how it got there or whose it is. Or how she got to a gas station in downtown Washington, D.C., in the middle of the night with no car. The last 32 hours of her life are a complete blank. And the man she remembers going to meet is missing. When she arrives home late that night, she finds ruggedly handsome police officer Simon Talbot waiting for her. She has no idea who he is or why she feels such a strong connection to him, but he certainly seems to remember her. Can she trust him? Fifteen years ago, Eva watched helplessly as her teen-aged boyfriend died in her arms, the victim of a drive-by shooting spree that took the lives of eight people one August evening. That event shaped her life and left her damaged. Now a successful documentary film maker, Eva has only one goal: to prove on film that Luther Isaacs, a petty thief just released from prison, was the killer. But someone is trying to kill Eva and will stop at nothing to keep her from proving who killed those eight people. *DROWNING IN AIR* is a taut romantic thriller, filled with twists and turns. It's a story of strength, survival, determination, love, danger, and, ultimately, redemption. Judy Fitzwater is the author of the suspense thriller *NO SAFE PLACE* and *THE JENNIFER MARSH MYSTERIES*. Neptune Noir Rob Thomas 2007-05-01 *Neptune Noir* is a collection of essays on the hit drama *Veronica Mars*, and is not authorized by CW, the creators or producers of *Veronica Mars*, or any entity associated with the show. More than just a high school drama, *Veronica Mars* is a smart and savvy teen detective show that offers complex mysteries and rapier wit, engaging social commentary, and noir sensibilities—with the occasional murder thrown in for good measure. This collection, edited by the creator and executive producer of the show, offers supreme insight into the class struggles and love stories of the series. Essays by top writers intelligently address a multitude of questions, such as Is *Veronica* a modern-day vigilante? Why is a show that features rape, potential incest, and a teen girl outsmarting local authorities so popular with America's conservative population? and Why is *Veronica* and Logan's relationship the most

important story-driving factor in the show?

Dying to Get Even Judy Fitzwater 2016-04-25 Unpublished author and reluctant amateur detective Jennifer Marsh doesn't know how she keeps finding herself in the middle of a murder. Okay, the first one was her fault (she framed herself) but this one is just bad luck: catching her good friend, Emmie Walker, standing over her dead ex-husband, Edgar, holding a bloody knife. Jennifer's sure Emmie is innocent. She's a sweet senior citizen who is way too smart to do something so stupid. So what if she has motive (her former husband was loaded and she'd gain ownership over his

successful chain of restaurants) and opportunity (found holding a knife over his body)? She's not the only one. Edgar Walker was not a nice man. People were probably standing in line to murder him. The question is who got to him first? With help from her quirky writer's group, gorgeous, cranky reporter Sam, and her own fictional heroine Maxie Malone, Jennifer's determined to get to the bottom of this... before Emmie's convicted based on Jennifer's own eyewitness testimony. "If you're a fan of Susan Isaacs or Olivia Goldsmith, you'll love Judy Fitzwater." --Janet Evanovich "...one of the funniest new mystery authors since Janet Evanovich...see why mystery fans are still laughing!" --Meritorious Mysteries "Fitzwater once again offers an entertaining read." --Publishers Weekly "Dying to Get Even is a satisfying yarn that develops Jennifer Marsh as someone to reckon with, in spite of herself." --The Mystery Reader

Dying to Remember Judy Fitzwater 2016-04-25 Twelve years ago Jimmy Mitchell disappeared the night of Jennifer Marsh's prom, and now her good friend Leigh Ann is desperate for Jennifer to accompany her to their high school reunion. Nothing could make her go back to confront Sheena Cassidy, the backbiting, mean-spirited, boyfriend stealing, junior squad cheerleader that made her life a living hell--nothing except a note from Sheena's now husband Danny Buckner, Jennifer's first love and prom date, who is pleading for her help with something that happened on that horrendous prom night. But when she gets to the reunion, Danny barely has a chance to speak with Jennifer before he's drawn away by one of his in-crowd. Less than an hour later Danny's dead in the parking lot, an apparent suicide. And Gavin Lawless, budding singer/song writer and the love of Leigh Ann's life, has returned to dredge up exactly what happened to Jimmy Mitchell that dreadful night twelve years ago that left Gavin with repressed memories and war hero Ben Underwood under a cloud of suspicion in Jimmy's disappearance. Old grudges and new insights lead Jennifer straight into danger as she's left Dying to Remember... Jennifer's writers' group is back, ready as always, to go undercover and ferret out information and help with outrageous ideas. Jennifer's boyfriend, investigative reporter Sam is back, too, as is her ever faithful greyhound Muffy. "Fitzwater comes through with an imaginative plot, hilarious secondary characters (the critique group, mostly aspiring romance writers, is a hoot) and good red herrings to throw readers off the track." Publishers Weekly "Dying to Remember is a fast paced read and one I felt compelled to finish in one sitting...I was kept guessing right up until the end." The Mystery Reader "Jennifer is trapped in the thick of it, knowing too much to suit a killer...and dying to remember enough to save her own life." The Mystery Review

The Private Patient P. D. James 2008-09-04 When the notorious investigative journalist Rhoda Gradwyn booked into Mr Chandler-Powell's private clinic in Dorset for the removal of a disfiguring and long-standing facial scar, she had every prospect of a successful operation by a distinguished surgeon, a week's peaceful convalescence in one of Dorset's most beautiful manor houses and the beginning of a new life. She was never to leave Cheverell Manor alive. Adam Dalgliesh and his team are called in to investigate the murder, and later a second death, which are to raise even more complicated problems than the question of innocence or guilt. The Floating Girls Lo Patrick 2022-07-12 For readers of Delia Owens's Where the Crawdads Sing and Louise Erdrich's The Round House, comes a fresh new voice in Southern fiction. A wonderfully atmospheric coming-of-age family drama told from the perspective of a feisty 12-year-old girl--reminiscent of a modern-day Scout Finch--as she unravels the secrets that threaten her entire family. The backwaters of Georgia hold many buried secrets. But they won't stay buried forever. One hot, sticky summer in Bledsoe, Georgia, twelve-year-old Kay Whitaker stumbles across a stilt house in a neighboring marsh and upon Andy Webber, a boy about her age. He and his father have recently moved back to Georgia from California, and rumors of the suspicious drowning death of Andy's mother years earlier have chased them there and back. Kay is fascinated and enamored with Andy, and she doesn't listen when her father tells her to stay away from the Webbers. But when Kay's sister goes missing, the mystery of Mrs. Webber's death--and Kay's parents' potential role in it--comes to light. Kay and her brothers must navigate the layers of secrets that emerge in the course of the investigation as their family, and the world as they knew it, unravels around them. At once wickedly funny and heartbreaking, it is an immersive coming-of-age story narrated by a feisty, smart, yet undeniably vulnerable girl reminiscent of a modern-day Scout Finch--a character who will live in readers' hearts for a long time to come. Praise for The Floating Girls: "A powerhouse of a Southern novel. At once a poignant coming-of-age tale, a murder mystery, and an evocative tribute to the marshlands of Georgia. Lo Patrick is a standout new Southern voice." --Andrea Bobotis, author of The Last List of Miss Judith Kratt "Kay is the smartest, funniest, most curious young narrator I have come across in some time. Her voice stuck with me long after I finished reading. If I met Kay on the street, I'd beg her to be my best friend." --Tiffany Quay Tyson, award-winning author of The Past is Never "A cracking story that unfolds in gorgeous prose in the stultifying heat of the American South." --Hayley Scrivenor, author of Dirt Creek "Fans of Where the Crawdads Sing will love this immersive mystery set against the salty air of Georgia's marshes. In Patrick's atmospheric prose, the water and its characters come to life." --Lindsey Rogers Cook, author of Learning to Speak Southern

Love After Death Judy Fitzwater 2017-11-19 She never found love in life...Is it possible she'll find love after death? Something unexpected happens to Cindy Thomas during a mystery weekend at the Ferris Mansion. One second she's enjoying a performance with astonishing special effects. The next, she's dead, surrounded by a troupe of long dead actors who aren't special effects at all. Harvey, her dream guy, is no longer a dream. He's real--a real ghost. Suddenly, this new existence is complicated and scary and amazing, leaving her wondering if she's made the worst mistake of her life, her death, or whatever you want to call it. Cindy will have to decide...should she step through the gateway to Heaven, or is Heaven actually here on earth, in this handsome ghost's arms? Author's Note: When I wrote DYING AT HONEYMOON INN, I became fond of Cindy Thomas, the young woman I killed off before readers had a chance to get to know her. For those of you familiar with my other books, you know that in VACATIONING WITH THE DEAD, I populated the Ferris Mansion with a troupe of actors who just happen to be ghosts. I enjoyed writing that book so much, I wanted to revisit the characters. What better way than to have Cindy's spirit encounter them upon her death? Adding her to the group presented a number of problems, but I really enjoyed writing Cindy and Harvey's love story. Who's to say love ends with death, or even the possibility of new love? That's part of the joy of creation. In my world, it doesn't have to.

Dying To Be Murdered Judy Fitzwater 2016-04-26 Mary Ashton is convinced someone is going to murder her, and that there's nothing she can do to stop it. But what she can do is hire unpublished mystery writer Jennifer Marsh to record her final days, so her killer won't get away with it. Mary may seem a little loony, but she's one of Macon's leading socialites, or at least she was until the competency hearing. AND she's offering Jennifer \$1,000 a week to stay in her home, the historic Ashton mansion, reputed to be haunted by a Civil War heroine. The money's too good to turn down, especially for a starving writer, so Jennifer agrees. And what's the harm? Why would anyone want Mary Ashton dead? But the first night at the mansion, Jennifer's awakened by blood curdling screams coming from Mary's room, which is directly beneath her own. Trapped in her room, Jennifer is helpless. When she finally escapes, she finds a blood-soaked bed straight out of a horror movie but no sign of Mary's body. Old family secrets and grudges, mysterious deaths, and ghostly lights that move about the mansion lead to a mystery fraught with danger and intrigue. Jennifer's writers' group offers their usual comic relief as they continue their journey toward getting published. Jennifer's sarcastic reporter boyfriend Sam is there to lend his assistance as well. And, of course, so is her greyhound Muffy. And looking very, very good." *The Book Report, Inc.*

Mystery Women, Volume Three (Revised) Colleen Barnett 2010-12-31 Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor; young or old; conservative or liberal. So are the heroines. What incredible choices there are today in mystery series! This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s (298 of whom were covered in Volume 2) and easily exceeded the 347 series (and some outstanding individuals) described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition; changes in status, short reviews of books published since the first edition through December 31, 2008.

In The Way of It John McGreal 2013-12-01 In new forms of writing, this is one of three books that represent stages of a serious artistic search for a modern dialectic of mark, word and image spanning twenty years. With an aesthetic that dissolves conventional boundaries of visual Art and Literature, the abstract alphabetical poem, my it to you and the narrative poem, In the Way of It are both written solely in monosyllables. The selection of spaced prints of alphabetical poems (such as Rubicon) in The Poetry of It was inspired initially by a surrealist experiment in automatic writing in 1988 which triggered an extensive period in which dreams erupted onto the page in the written form of fragmented words. Written in the form of double columns, 'Mac's Story', In The Way of It, gives an account of how these works came to be made along with The Book of It, his humorous satire on contemporary capitalism published in 2010. All three new works celebrate the Centenary of the revolution in visual language made by the avant-gardes in what Marjorie Perloff calls 'The Futurist Moment' in Modernist Art.
