Growth of the Soil (Hardcover) Knut Hamsun 2018-05-28 Growth of the Soil, Knut Hamsun's Nobel Prize winning novel, is an abiding classic of Scandinavian literature. At the time it was published, the literary world was in the throes of shifting to a modernist style. Popular novels were set in the contemporary present, with technological and societal advancements forming part of the narrative backdrop. Growth of the Soil openly displays the conflicts between the old traditions of agrarian society, and the ever-mounting wonders and conveniences offered by modern society. The farmer Isak scarcely acknowledges the values of modern living. Illiterate but capable of carrying out the business of running a farm, he has physical strength and works with his hands. Although initially amazed by Isak's prowess - his wife Inger, who came into contact with modern society when imprisoned for killing her infant due to its birth defect, return to the home much less impressed by the country life.

Hunger Knut Hamsun 2012-06 Hunger by Knut Hamsun - The Original Classic Edition Finally available, a high quality book of the original classic edition. This is a new and freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside: From there his parents moved when he was only four to settle in the far northern district of Lofoden--that land of extremes, where the year, and not the day, is evenly divided between darkness and light; where winter is a long dreamless sleep, and summer a passionate dream without sleep; where land and sea meet and intermingle so gigantically that man is all but crushed between the two--or else raised to titanic measures by the spectacle of their struggle. ...But when Karenø, the irreconcilable rebel of At the Gates of the Kingdom, the heaven-storming truth-seeker of The Game of Life, and the acclaimed radical leader in the first acts of Sunset Glow, surrenders at last to the powers that be in order to gain a safe and sheltered harbor for his declining years, then another man of 29 stands ready to denounce him and to take up the rebel cry of youth to which he has become a traitor. Hamsun's ironical humor and whimsical manner of expression do more than the plot itself to knit the plays into an organic unit, and several of the characters are delightfully drawn, particularly the two women who play the greatest part in Karenø's life: his wife Eline, and Teresita, who is one more of his many feminine embodiments of the passionate and changeable Northland nature. ...From 1897 to 1912 Hamsun produced a series of volumes that simply marked a further development of the tendencies shown in his first novels: *Siesta*, short stories, 1897; *Victoria* a novel with a charming love story that embodies the tenderest note in his production, 1898; *In Wonderland*, travelling sketches from the Caucasus, 1903; *Brushwood*, short stories, 1903; *The Wild Choir*, a collection of poems, 1904; *Dreamers*, a novel, 1904; *Struggling Life*, short stories and travelling sketches, 1905; *Beneath the Autumn Star* a novel, 1906; *Benoni*, and *Rosa*, two novels forming to some extent sequels to *Pan*, 1908; *A Wanderer Plays with Muted Strings*, a novel, 1909; and *The Last Joy*, a shapeless work, half novel and half mere uncoordinated reflections, 1912. ...I turned to a shop window and stopped in order to give him an opportunity of getting ahead, but when, after a lapse of some minutes, I again walked on there was the man still in front of me--he too had stood stock still, --without stopping to reflect I made three or four furious onward strides, caught him up, and slapped him on the shoulder.

Children of the Age Knut Hamsun 1924 Hamsun described *Children of the Age* as "a novel about the war between the aristocrat and the peasant." The *Encyclopedia of the Novel* (2014) called it "a historically based - and utterly scathing - critique of modernity." And the Hamsun Centre (Hamsunsenteret) website wrote: "In *Children of the Age* a family's rise and fall are used to describe the decline and fall of a whole epoch. Thematically the novel has similarities to Thomas Mann's *Buddenbrooks* (1901), with Hamsun's humour being the stylistic difference between the two." Briefly, the novel is the story of Lieutenant Willatzer Holmsen, patriarch of Segelfoss, a small semi-feudal estate in the north of Norway. When a rich self-made industrialist returns from years abroad, Holmsen finds his authority challenged and his finances jeopardized. At the same time, the novel chronicles the breakdown of his family life with his wife Adelheid and son Willatzer IV. The novel and its sequel, *Segelfoss Town* (1915), are described in *Knut Hamsun: The Dark Side of Literary Brilliance* (2009) as "much more than dry social analysis; indeed, they investigate, in rich novelistic form, the propagation and survival of a family."

Growth of the Soil Or *Markens Grode* Knut Hamsun 2013-04-17 Knut Hamsun (August 4, 1859 – February 19, 1952) was a Norwegian author, who was awarded the Nobel Prize in Literature in 1920. Hamsun's work spans more than 70 years and shows variation with regard to the subject, perspective and environment. He published more than 20 novels, a collection of poetry, some short stories and plays, a travelogue, and some essays. -Wikipedia

Dreamers Knut Hamsun 2012-02-14 Ove Rolandsen, the telegraph operator in an isolated fishing village in northern Norway, is a man of sudden passions, a cheerful rogue fond of girls and alcohol. He constantly hatches ambitious schemes to the despair of his fiancé e, Marie, housekeeper at the vicarage. When a plan to manufacture glue from fish waste lands him in trouble, is his feckless career over or could fortune, for once, be on his side? Knut Hamsun is recognised as one of the greatest literary figures of the twentieth century. He was awarded the Nobel Prize for Literature in 1920 for *Growth of the Soil*.

Knut Hamsun, Best Novels Knut Hamsun 2017-08-21 Knut Hamsun (1859 - 1952) was a Norwegian author, who was awarded the Nobel Prize in Literature in 1920. Hamsun's work spans more than 70 years and shows variation with regard to the subject, perspective and environment. He published more than 20 novels, a collection of poetry, some short stories and plays, a travelogue, and some essays. Hamsun is considered the "leader of the Neo-Romantic revolt at the turn of the [20th] century", with works such as *Hunger* (1890), *Mysterier* (1892), *Pan* (1894), and *Victoria* (1898). His later works-in particular his "Nordland novels"-were influenced by the Norwegian new realism, portraying everyday life in rural Norway and often employing local dialect, irony, and humour. On Overgrown Paths Knut Hamsun 1999 The great confessional memoir of the Nobel-prize winning Norwegian novelist, Knut Hamsun.

Growth Of The Soil Knut Hamsun 2019-06-24 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

On Over-grown Paths Knut Hamsun 1967 Memoir written from 1945 to 1948 by the novelist when he was interned on suspicion of treason.

Growth of the Soil Knut Hamsun 2007-09-25 The epic novel of man and nature that won its author the Nobel Prize in Literature, in the first new English translation in more than ninety years A Penguin Classic When it was first published in 1917, *Growth of the Soil* was immediately recognized as a masterpiece. Ninety years later it remains a transporting literary experience. In the story of Isak, who leaves his village to clear a

homestead and raise a family amid the untilled tracts of the Norwegian back country, Knut Hamsun evokes the elemental bond between humans and the land. Newly translated by the acclaimed Hamsun scholar Sverre Lyngstad, Hamsun's novel is a work of preternatural calm, stern beauty, and biblical power—and the crowning achievement of one of the greatest writers of the twentieth century. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Ring is Closed Knut Hamsun 1966

The Women at the Pump Knut Hamsun 2012-07-09 In their gossiping at the pump the women express the poetry, the tawdriness and, above all, the sheer vitality of life in Hamsun's small coastal town. A birth (where did those brown eyes come from?); a marriage (shotgun?); a death in strange circumstances (the victim flattened by a barrel of whale oil); the up-and-down career of the town's leading citizen and philanderer; the elderly spinster's pregnancy; the sinking of the steamship that is the town's pride and joy. Above all, talk centres on the doings of Oliver Andersen and the large family that he and his wife contrive to create despite growing suspicions that his mysterious accident at sea has deprived him of more than a leg... The Women at the Pump overflows with a prodigality of invention and sardonic humour typical of Hamsun's work at its best. First published in 1920, the year Hamsun won the Nobel Prize for Literature, it has a universal quality that transcends time and place. Hamsun's women live on the Norwegian coast but their soulmates flourish in every small community around the world.

August by Knut Hamsun Author of "Vagabonds," "Growth of the Soil," "Hunger," Etc. Translated from the Norwegian by Eugene Gay-Tiffit Knut Hamsun 1932

Knut Hamsun Monika Žagar 2011-07-01 Awarded the Nobel Prize for Literature in 1920, Knut Hamsun (1859 – 1952) was a towering figure of Norwegian letters. He was also a Nazi sympathizer and supporter of the German occupation of Norway during the Second World War. In 1943, Hamsun sent his Nobel medal to Third-Reich propaganda minister Joseph Goebbels as a token of his admiration and authored a reverential obituary for Hitler in May 1945. For decades, scholars have wrestled with the dichotomy between Hamsun's merits as a writer and his infamous ties to Nazism. In her incisive study of Hamsun, Monika Žagar refuses to separate his political and cultural ideas from an analysis of his highly regarded writing. Her analysis reveals the ways in which messages of racism and sexism appear in plays, fiction, and none-too-subtle nonfiction produced by a prolific author over the course of his long career. In the process, Žagar illuminates Norway's changing social relations and long history of interaction with other peoples. Focusing on selected masterpieces as well as writings hitherto largely ignored, Žagar demonstrates that Hamsun did not arrive at his notions of race and gender late in life. Rather, his ideas were rooted in a mindset that idealized Norwegian rural life, embraced racial hierarchy, and tightly defined the acceptable notion of woman in society. Making the case that Hamsun's support of Nazi political ideals was a natural outgrowth of his reactionary aversion to modernity, Knut Hamsun serves as a corrective to scholarship treating Hamsun's Nazi ties as unpleasant but peripheral details in a life of literary achievement.

Wayfarers Knut Hamsun 2012-07-09 As the modern industrialised world begins to encroach on a small, isolated coastal town in northern Norway the effect is devastating. For young Edevart, uprooted from his simple origins, it brings progressive alienation from the old traditions; for August, the lying, charming scoundrel, it means opportunities that will threaten the stability of an unspoiled community. With comic irony and a haunting power, Hamsun charts the slow disintegration of the old way of life in a magnificent novel that provides brilliant insights into human nature: the visiting skipper who is lured to his death by Ane Marie because, hurtfully, he did not make advances to her; the old watch seller who is as ready to cheat himself as he is to swindle others; the poignant, painful love affair between Edevart and the barefoot Lovise Magrete. Written seven years after Hamsun received the Nobel Prize for literature, *Wayfarers* is a masterpiece by one of the great novelists of the twentieth century.

The Last Joy Knut Hamsun 2003 The Last Joy is the final part in Hamsun's Wanderer Trilogy. With its richly varied contents, this work combines the lyricism of Hamsun's Pan (1894) and the epic scope of his Nobel prize-winning *Growth of the Soil* (1917). The middle-aged narrator of this story is a Hamsun double, who leaves the wild, where he has lived in a turf hut, for a tourist resort and, later, the city, where he contacts Miss Torsen, a beautiful young school teacher he met at the resort. He follows her sexual escapades, including rape, with the intense, vicarious interest of a voyeur.

Tales of Love and Loss Knut Hamsun 2011-01-01 Twenty stories ranging over every imaginable human emotion and situation, *Tales of Love and Loss* is a treat for all lovers of great writing. Knut Hamsun published only three collections of short stories during his lifetime and abandoned the form entirely after 1906. Most of these stories are translated into English for the first time and this is the first publication for them outside Norway. Providing a fascinating commentary on the novels Hamsun was writing at the time and with forebodings of his much later work these stories are indispensable.

The Collected Works of Knut Hamsun Knut Hamsun 2019-12-18 Mosaic Books presents to you this meticulously edited Knut Hamsun collection. Growth of the Soil Knut Hamsun 2017-08-13

Victoria Knut Hamsun 2005-11-29 The Nobel Prize winner's poetic, psychologically intense portrayal of love's predicament in a class-bound society A Penguin Classic Set in a coastal village of late nineteenth-century Norway, Victoria follows two lovers whose yearnings are as powerful as the circumstances that conspire to thwart their romance. Johannes, a miller's son turned poet, finds inspiration for his writing in his passionate devotion to Victoria, a daughter of the impoverished lord of the manor, who feels constrained by family loyalty to accept the wealthy young man of her father's choice. Separated by class barriers and social pressure, the fated duo hurt and enthrall each other by turns as they move toward an emotional doom that neither will recognize until it is too late. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Growth of the Soil, Volume Two Knut Hamsun 2017-09-17 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Growth of the Soil Knut Hamsun 1926

Mysteries Knut Hamsun 2006-08-08 In a Norwegian coastal town, society's carefully woven threads begin to unravel when an unsettling stranger named Johan Nagel arrives. With an often brutal insight into human nature, Nagel draws out the townsfolk, exposing their darkest instincts and suppressed desires. At once arrogant and unassuming, righteous and depraved, Nagel seduces the entire community even as he turns it on its head—before disappearing as suddenly as he arrived.

Mysteries (Knut Hamsun) Knut Hamsun 1971 *Mysteries* is a classic of European literature, one of the seminal novels of the twentieth century. It is the story of Johan Nagel, a strange young man who arrives to spend a summer in a small Norwegian coastal town. His presence acts as a catalyst for the hidden impulses, concealed thoughts and darker instincts of the local people. Cursed with the ability to understand the human soul, especially his own, Nagel can foresee, but cannot prevent, his own self-destruction.

Knut Hamsun Remembers America Knut Hamsun 2003-05-01 When Americans remember him at all, they no doubt think of Knut Hamsun (1859 – 1952) as the author of *Hunger* or as the Norwegian who, along with Vidkun Quisling, betrayed his country by supporting the Nazis during World War II. Yet Hamsun, winner of the Nobel Prize in 1920 for his novel *The Growth of the Soil*, was and remains one of the most important and influential novelists of his time. *Knut Hamsun Remembers America* is a collection of thirteen essays and stories based largely on Hamsun's experiences during the four years he spent in the United States when he was a young man. Most of these pieces have never been published before in an English translation, and none are readily available. Hamsun's feelings about America and American ways were complex. For the most part, they were more negative than positive, and they found expression in many of his writings—directly in his reminiscences and indirectly in his fiction. In *On the Cultural Life of Modern America*, his first major book, he portrayed the United States as a land of gross and greedy materialism, populated by illiterates who were utterly lacking in artistic originality or refinement. Although the pieces in this collection are not all anti-American, most of them emphasize the strangeness and unpleasantness, as the author saw it, of life in what he called Yankeeland. Arranged chronologically, the pieces fall into three categories: Critical Reporting, Memory and Fantasy, and Mellow Reminiscence. The Critical Reporting section includes articles that appeared in Norwegian or Danish newspapers soon after each of Hamsun's two visits to America and that give his views on a variety of American subjects, and includes an essay devoted to Mark Twain. Memory and Fantasy comprises narratives of life in America, most of which are presented as personal experiences but which actually are blends of fact and fiction. Mellow Reminiscence includes later and fonder recollections and impressions of the United States. The pieces in this collection provide variations on a theme that runs through much of American history—European criticism of American ways. They give vivid, at times distorted, pictures of life as it was in the United States. They tell us something about the development of the worldview of a man who became a great writer, only to jeopardize his reputation by defending the Nazi oppressors of his own people. *Knut Hamsun Remembers America* will appeal to anyone interested in the history of American civilization or, more specifically, in the history of anti-Americanism.
