The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene 2017-08-01 In The End of Divine Truthiness, Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love. With urgent resolve, Greene answers Martin Luther King, Jr.'s pointed challenge to overcome "reckless and abusive . . . power without love," and "sentimental and anemic . . . love without power." Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty. Wielding Stephen Colbert's word "truthiness" as a scalpel, Greene slices out one perilous theology after another to restore the wholesome truth that God is love. Supported by three world religions--Buddhism, Christianity, and Taoism--he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love. To reunify love and power here in the world, as King challenges, it is time to abandon ideologies of divine power that devastate divine love and promote atrocities. Greene's call for "the end of divine truthiness" heralds a new day for the God whose love is power and whose power is love.

Ugly Love Colleen Hoover 2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Good Vs. Evil . . . Overcoming Degradation Through the Love and Brilliance of God Jerry Davis 2010-12-27 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy. Being miss-directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us. Weve all been programmed to unknowingly believe in a host of lies and its our belief in the need to uphold the lies that do us in. There are laws that pertain to the universe. These laws cannot be broken without creating diverse consequences. With every action there is an opposite reaction of effect. And where do the decisions we make come from? They generally come from our minds. The question then becomes, Whos controlling the mind? If your mind is at work and in agreement with you then you would rightly say you are controlling your mind. But if you occasionally find that your mind is working against you then you should consider you are not solely in control. Jesus referred to Satan as, the father of lies. I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives. I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you. Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating. This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is. This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life.

Where Love Begins Judith Hermann 2016-03-03 Stella is married, she has a child and a fulfilling job. She lives with her young family in a house in the suburbs. Her life is happy and unremarkable, but she is a little lonely--her husband travels a lot for work and so she is often alone in the house with only her daughter for company. One day a stranger appears at her door, a man Stella's never seen before. He says he just wants to talk to her, nothing more. She refuses. The next day he comes again. And then the day after that. He will not leave her in peace. When Stella works out that he lives up the road, and tries to confront him, it makes no difference. This is the beginning of a nightmare that slowly and remorselessly escalates. Where Love Begins is a delicately wrought, deeply sinister novel about how easily the comfortable lives we construct for ourselves can be shattered.

Where Love Ends . . . Michelle Lucas 2019-02-26 As life happens, so does the dynamics of love. The struggle is real. Angela, the preacher's kid, finds love but in all the wrong places. Lured naively away from college into the strip club by Ishmael, Angela's understanding of love quickly goes from left to right in a blink of an eye, forcing her to get a taste of what the real world actually has to offer. But Pastor Cedric and Sister Gracie, Angela's parents, believing strongly in the power of prayer, uses it as a weapon in hopes to bring their daughter back from a destructive and unforeseen pathway. In Where Love Ends... Grace abounds, forces are aggressively at work to kill, steal and destroy everything on its path, including relationships, marriages and dreams, if permitted. But can love win in this spiritual warfare? Or has the damage already been done to all who has become involved.

Fire Vision Steven Harrison 2018-07-17 Within the pages of the Holy Bible, the Lord God Almighty used fire in powerful ways to deliver His message. His authority became apparent when He brought or sent fire down. A few excellent illustrations include Elijah and the prophets of Baal, the three young men in the fiery furnace, Sodom and Gomorrah, and Moses at the burning bush and the tongues of fire on the day of Pentecost. Consider also our largest visual source of fire and heat. The solar sun eclipses and blood moons are often considered as key events or signs in God's Word. Flames entered my apartment in 1992 and left behind four distinct burned images with sealed messages from the eternal consuming fire. The amazing images in my bedroom later told the story of my heart attack. The Holy Spirit unlocked these images by His Word through time. The Cokeville miracle story also has a detailed fire image that was burned into the wall. Its message had been well hidden until now. Learn the interpretations for these miraculous images and understand that the same Creator who made these images will be returning someday with His fire vision to judge all things. The single most important and unanswered question for many people today remains a mystery. Ask yourself, "How will the King of kings see me?"

It Ends with Us Colleen Hoover 2020-07-28 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).
