The Risk Elle Kennedy 2019-02-18 Everyone says I'm a bad girl. They're only partly right—I don't let fear rule me, and I certainly don't care what people think. But I draw the line at sleeping with the enemy. As the daughter of Briar's head hockey coach, I'd be vilified if I hooked up with a player from a rival team. And that's who Jake Connelly is. Harvard's star forward is arrogant, annoying, and too attractive for his own good. But fate is cruel—I require his help to secure a much-coveted internship, and the sexy jerk isn't making it easy for me. I need Connelly to be my fake boyfriend. For every fake date...he wants a real one. Which means this bad girl is in big trouble. Nothing good can come from sneaking around with Jake Connelly. My father would kill me, my friends will revolt, and my post-college career is on the line. But while it's getting harder and harder to resist Jake's oozing sex appeal and cocky grin, I refuse to fall for him. That's the one risk I'm not willing to take. The Briar U Series of Standalone Novels The Chase (Briar U Book 1) The Risk (Briar U Book 2) The Play (Briar U Book 3) The Off-Campus Series of Standalone Novels The Deal (Off-Campus Book 1) The Mistake (Off-Campus Book 2) The Score (Off-Campus Book 3) The Goal (Off-Campus Book 4)

Magic Hour Kristin Hannah 2006-02-28 From the #1 New York Times bestselling author of *The Nightingale* and *The Great Alone* comes an incandescent story about the resilience of the human spirit, the triumph of hope, and the meaning of home. In the rugged Pacific Northwest lies the Olympic National Forest—nearly a million acres of impenetrable darkness and impossible beauty. From deep within this old growth forest, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her western Washington hometown after a scandal left her career in ruins, child psychiatrist Dr. Julia Cates is determined to free the extraordinary little girl she calls Alice from a prison of unimaginable fear and isolation. To reach her, Julia must discover the truth about Alice's past—although doing so requires help from Julia's estranged sister, a local police officer. The shocking facts of Alice's life test the limits of Julia's faith and strength, even as she struggles to make a home for Alice—and for herself. "One of [Kristin Hannah's] most compelling

and riveting novels."—Booklist

The Nightingale Kristin Hannah 2015-02-03 In love we find out who we want to be. In war we find out who we are. FRANCE, 1939 In the quiet village of Carriveau, Vianne Mauriac says goodbye to her husband, Antoine, as he heads for the Front. She doesn't believe that the Nazis will invade France...but invade they do, in droves of marching soldiers, in caravans of trucks and tanks, in planes that fill the skies and drop bombs upon the innocent. When a German captain requisitions Vianne's home, she and her daughter must live with the enemy or lose everything. Without food or money or hope, as danger escalates all around them, she is forced to make one impossible choice after another to keep her family alive. Vianne's sister, Isabelle, is a rebellious eighteen-year-old girl, searching for purpose with all the reckless passion of youth. While thousands of Parisians march into the unknown terrors of war, she meets G etan, a partisan who believes the French can fight the Nazis from within France, and she falls in love as only the young can...completely. But when he betrays her, Isabelle joins the Resistance and never looks back, risking her life time and again to save others. With courage, grace and powerful insight, bestselling author Kristin Hannah captures the epic panorama of WWII and illuminates an intimate part of history seldom seen: the women's war. The Nightingale tells the stories of two sisters, separated by years and experience, by ideals, passion and circumstance, each embarking on her own dangerous path toward survival, love, and freedom in German-occupied, war-torn France--a heartbreakingly beautiful novel that celebrates the resilience of the human spirit and the durability of women. It is a novel for everyone, a novel for a lifetime.

The Preacher's Complete Homiletical Commentary on the Old Testament: Ruth 1892

The Four Winds Kristin Hannah 2021-02-02 "The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1934. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa--like so many of her neighbors--must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the

Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Bible Maps, Or, A Historical and Descriptive Atlas of Scripture Geography ... William Hughes 1854

Wisteria Island Rachel Hanna 2021 She's running from the most embarrassing moment of her life when she finds herself smack dab in the middle of an island full of misfit old people. Danielle Wright has had an illustrious career as a nurse, but when the unthinkable happens, she has nowhere to run to get out of the gaze of prying eyes and judgmental people. When she takes a job as the nurse for Wisteria Island, she has no clue what she's agreeing to. The brainchild of a wealthy entrepreneur, Wisteria Island is home to a cast of quirky, and often difficult, characters. When Danielle finds out why the previous eight nurses have all quit within days, she has to decide whether to stick it out or go back to a life she no longer recognizes. *Wisteria Island* is book 1 in a new series by USA Today bestselling author, Rachel Hanna. If you love southern women's fiction and lots of laughs, you'll enjoy this one!

The Last Hanna Jameson 2019-04-09 For fans of high-concept thrillers such as *Annihilation* and *The Girl with All the Gifts*, this breathtaking dystopian psychological thriller follows an American academic stranded at a Swiss hotel as the world descends into nuclear war—along with twenty other survivors—who becomes obsessed with identifying a murderer in their midst after the body of a young girl is discovered in one of the hotel's water tanks. Jon thought he had all the time in the world to respond to his wife's text message: I miss you so much. I feel bad about how we left it. Love you. But as he's waiting in the lobby of the L'Hotel Sixieme in Switzerland after an academic conference, still mulling over how to respond to his wife, he receives a string of horrifying push notifications. Washington, DC has been hit with a nuclear bomb, then New York, then London, and finally Berlin. That's all he knows before news outlets and social media goes black—and before the clouds on the horizon turn orange. Now, two months later, there are twenty survivors holed up at the hotel, a place already tainted by its strange history of suicides and murders. Those who can't bear to stay commit suicide or wander off into the woods. Jon and the others try to maintain some semblance of civilization. But when the water pressure disappears, and Jon and a crew of survivors investigate the hotel's water tanks, they are shocked to discover the body of a young girl. As supplies dwindle and tensions rise, Jon becomes obsessed with investigating the death of the little girl as a way to cling to his own humanity. Yet the real question remains: can he afford to lose his mind in this hotel, or should he take his chances in the outside world?

Historical Summary of Coal-mine Explosions in the United States Hiram Brown Humphrey 1959

The Mushroom at the End of the World Anna Lowenhaupt Tsing 2017-09-19 Matsutake is the most valuable mushroom in the world—and a weed that grows

in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, *The Mushroom at the End of the World* follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, *The Mushroom at the End of the World* presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.

Beautiful Disaster Signed Limited Edition Jamie McGuire 2012-11-27 Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

The Man in the High Castle Philip K. Dick 2012-01 In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

Blood in the Low Country Paul Attaway 2020-09-07 Step back in time a bit. The year is 1973, and by all appearances, Monty Atkins has a wonderful life. Along with his wife, Rose, the girl of his dreams he met in college, they are raising two boys, Eli and Walker. Humble but competitive, Monty is slowly but steadily building a profitable and well-respected law practice in beautiful Charleston, SC. His hard work, steeped in a deeply engrained Protestant work ethic, is paying dividends in the form of a second home on Kiawah Island and membership in the exclusive Wappoo Country Club. Rose, an aspiring socialite, chairs committees and works tirelessly for her church and the school their boys attend. So, yes, Monty Atkins has a wonderful life, until he doesn't. In a flash, everything changes when a brutal murder and a shocking betrayal turn their world upside down. Brewing beneath the surface lurks a conspiracy of lies about who they are and what they believe. The wellspring of deception and ensuing dysfunction that threaten to destroy all they have built is Rose's past, a past she can't outrun. In the hunt for the killer, Monty draws the ire of one of Charleston's most prominent businessmen, who sets out to destroy him. Monty now faces a multi-front battle, one to save his family, one to save his business and one to save his life. Step back in time and immerse yourself in a taut, tension-filled thriller where the genteel veneer of life in the South lived by those for whom Sunday Bruch at the Club is as holy as that morning's church service is stripped away.

Launcelot Granger of Newbury, Mass., and Suffield, Conn. James Nathaniel Granger

It Happened One Summer Tessa Bailey 2021-07-13 USA TODAY BESTSELLER Tessa Bailey is back with a Schitt's Creek-inspired rom-com about a Hollywood "It Girl" who's cut off from her wealthy family and exiled to a small Pacific Northwest beach town... where she butts heads with a surly, sexy local who thinks she doesn't belong. As seen on E!Online, PopSugar, CNN, EliteDaily, Vulture, BuzzFeed, Bustle, the Nerd Daily, PARADE, LA Magazine, Country Living, USA Today, and more! Piper Bellinger is fashionable, influential, and her reputation as a wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father's dive bar... in Washington. Piper hasn't even been in Westport for five minutes when she meets big, bearded sea captain Brendan, who thinks she won't last a week outside of Beverly Hills. So what if Piper can't do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She's determined to show her stepfather—and the hot, grumpy local—that she's more than a pretty face. Except it's a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there's an undeniable attraction simmering between them. Piper doesn't want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan—and this town full of memories—may have already caught her heart.

The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Bulletin 1960

Internet Comedy Television Series, 1997-2015 Vincent Terrace 2016-02-25 Created around the world and available only on the web, Internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through

crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fourth in a series covering Internet TV, this book takes a comprehensive look at 1,121 comedy series produced exclusively for online audiences. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

The End of Men Hanna Rosin 2012-10-11 What Betty Friedan, Simone de Beauvoir, Susan Faludi and Naomi Wolf did for feminism, senior editor of The Atlantic Hanna Rosin does for a new generation of women: an explosive new argument for why women are winning the battle of the sexes and why men are no longer top dog. Women are no longer catching up with men. By almost every measure, they are out-performing them. We are at an unprecedented moment in history. In 2010, for the first time, the balance of the British workforce tipped towards women, who now hold around half of the nation's jobs. In the US, meanwhile, for every two men that receive a BA, three women will achieve the same. Not only do women now dominate colleges and professional schools on every continent except Africa, young single women in the US now earn more than their male counterparts, and more than a third of mothers in the UK and the US are their family's main breadwinner. The tides have turned. The 'age of testosterone' is decisively over. At almost every level of society women are proving themselves far more adaptable and suited to a job market that rewards people skills and intelligence, and a world that has a dramatically diminishing need for traditional male muscle. In this landmark, once-in-a-generation book, Hanna Rosin reveals how this new world order came to be and its profound implications for marriage, sex, children, work, families and society. Unhampered by old assumptions and ideologies and drawing on examples from across the globe, *The End of Men* helps us see how both men and women can - and must - adapt for a radically new era. 'In this bold and inspired dispatch, Rosin upends the common platitudes of contemporary sexual politics with a deeply reported meditation from the unexpected frontiers of our rapidly changing culture' Katie Roiphe, author of *The Morning After* and *Uncommon Arrangements* 'The End of Men describes a new paradigm that can, finally, take us beyond 'winners' and 'losers' in an endless 'gender war.' What a relief! Ultimately, Rosin's vision is both hope-filled and creative, allowing both sexes to become far more authentic: as workers, partners, parents...and people' Peggy Orenstein, author of *Cinderella Ate My Daughter* and *Schoolgirls* Hanna Rosin is a senior editor at The Atlantic magazine and a founder and co-editor of DoubleX, Slate's women's section. She has written for the New Yorker, The New York Times, GQ, and The New Republic, and for a number of years covered politics and religion for the Washington Post. In 2009 she was nominated for a National Magazine Award, and in 2010 she won one. She is the author of a previous book, *God's Harvard: A Christian College on a Mission to Save America*. Rosin lives in Washington, DC, with her husband, Slate editor David Plotz, and their three children.

Night Swim, The Megan Goldin 2021-11-30

Forever Golden Nikki Thorne 2021-04-17 West Golden-Fierce protector. The one. The cocky jock I once wanted to kill with my bare hands is now the only one I trust with my heart. In a city full of corruption and dark secrets, knowing who's on your side gets harder to determine every day. Especially now that Vin's on the warpath, passing out threats he fully intends to see

through to the end. His power here in Cypress Pointe seems limitless, and I don't have time to see if that's true. I'm prepared to make sacrifices to keep my family safe. Even if what's sacrificed is my own happiness. As our circle of loyal friends becomes clear, we cling to it, because it's all any of us has. And if there's one thing Vin didn't count on, it's that blood isn't always thicker than water. He might just find out firsthand why it's never wise to cross the king's queen. ***FOREVER GOLDEN is the highly anticipated conclusion to this portion of the saga, and a lead-in to the KINGS OF CYPRESS spinoff. This book is the final installment of a trilogy and should only be read after completing books one & two, THE GOLDEN BOYS and NEVER HIS GIRL. This series contains strong bully themes. So, if you're not into romances where hate turns into love (... eventually), and if you don't like your heroes of the unapologetically alpha variety, this might not be the series for you. There is no rape or dubious consent whatsoever. However, due to adult themes and sexual situations, this one's only for the 18+ crowd. This series is sure to give you GOSSIP GIRL and ONE TREE HILL vibes, and the angst will have you burning through the pages to find out what happens next. One-click and get lost in this series today! Smooches, RJ & NT

Hook, Line, and Sinker Tessa Bailey 2022-03-01 AN INSTANT #1 NEW YORK TIMES AND #1 USA TODAY BESTSELLER In the follow-up to It Happened One Summer, Tessa Bailey delivers another deliciously fun rom-com about a former player who accidentally falls for his best friend while trying to help her land a different man... King crab fisherman Fox Thornton has a reputation as a sexy, carefree flirt. Everyone knows he's a guaranteed good time-in bed and out-and that's exactly how he prefers it. Until he meets Hannah Bellinger. She's immune to his charm and looks, but she seems to enjoy his... personality? And wants to be friends? Bizarre. But he likes her too much to risk a fling, so platonic pals it is. Now, Hannah's in town for work, crashing in Fox's spare bedroom. She knows he's a notorious ladies' man, but they're definitely just friends. In fact, she's nursing a hopeless crush on a colleague and Fox is just the person to help with her lackluster love life. Armed with a few tips from Westport's resident Casanova, Hannah sets out to catch her coworker's eye... yet the more time she spends with Fox, the more she wants him instead. As the line between friendship and flirtation begins to blur, Hannah can't deny she loves everything about Fox, but she refuses to be another notch on his bedpost. Living with his best friend should have been easy. Except now she's walking around in a towel, sleeping right across the hall, and Fox is fantasizing about waking up next to her for the rest of his life and... and... man overboard! He's fallen for her, hook, line, and sinker. Helping her flirt with another guy is pure torture, but maybe if Fox can tackle his inner demons and show Hannah he's all in, she'll choose him instead?

The Bitterwine Oath Hannah West 2020-12-01 Every fifty years, a cult claims twelve men to murder in a small Texas town. Can one girl end the cycle of violence - and save the boy who broke her heart? "A richly woven tale of

magic and murder and vengeance. This book kept me up all night! One of the best stories I've read all year." - Shea Ernshaw, New York Times bestselling author of *The Wicked Deep* San Solano, Texas, is a quaint town known for its charm, hospitality, and history of murder. Twice now, twelve men have been brutally killed, and no one knows who did it. A shadowy witch? A copycat killer? Or a man-hating murderess? Eighteen-year-old Natalie Colter is sure that the rumors about her great-great-grandmother's cult of wronged women are just gossip, but that doesn't stop the true-crime writers and dark tourism bloggers from capitalizing on the town's reputation. It's an urban legend that's hard to ignore, and it gets harder when Nat learns that the sisterhood is real. And magical. And they want her to join. The more Nat learns of the Wardens' supernatural history, the more she wonders about the real culprits behind the town's ritualistic murders. Are the Wardens protecting San Solano from even darker forces? There are shadows in the woods, bones on the outskirts of town, and questions Nat needs answered. But everything becomes more urgent when people start getting "marked" as new victims--including Levi Langford, the boy whose kiss haunted Nat for a year. With Levi in danger, doing nothing would be harder than fighting back. Nat knows that no one is safe. Can she and the sisterhood stop the true evil from claiming their town?

Hannaford Prep J Bree 2020-10-24 The most exclusive school in the entire country, Hannaford Preparatory Academy, has offered me a full-ride scholarship and a chance to escape the dangerous streets of Mounts Bay. The only problem is, no scholarship student has ever made it through freshman year. None of the rich kids understand the need for survival that runs through my veins, the throne I've fought and killed to sit on, and there are more deranged killers stalking me than I can keep count of. They think they can break me. They're wrong. No one touches the Wolf.

Ready for a clean billionaire romance that will make you smile and swoon? Pick up *Spying On The Billionaire* today.

The Faith in Flowers Rachael Bloome 2021-03-23 An extravagant wedding to plan. A blossoming childhood crush. And a secret ready to uproot everything... When event planner Olivia Parker heads home to help plan her brother's wedding, she decides to keep her painful divorce a secret so she doesn't ruin his big day. Easier said than done when her feelings for a childhood friend start to blossom into something more... Flower farmer Reed Hollis has never forgotten the only woman who ever captured his heart. He also hasn't forgotten that she's very, very married. Burying his emotions along with his tulip bulbs, he decides to keep his distance while she's in town. Not a bad plan. Until he's roped into helping with the wedding. As the two work together, can they overcome their deep-rooted fears and painful secrets? Or will their budding romance wither on the vine?

hope, healing, and second chances in the fifth novel in the best-selling Poppy Creek series. Each book in the feel-good, small-town romance series is a clean and wholesome read that's much more fun when read in order. Also includes: An original recipe. Book club questions and more... ADDITIONAL BOOKS IN THE SERIES Book One: The Clause in Christmas Book Two: The Truth in Tiramisu Book Three: The Secret in Sandcastles Book Four: The Meaning in Mistletoe Book Five: The Faith in Flowers Book Six: The Whisper in Wind

Just Drop Out J Bree 2019-08-04 After surviving foster care and a high school that breeds gang members and drug dealers I've finally found my path to freedom: emancipation and a full-ride scholarship at the ultra-exclusive Hannaford Prep. All I have to do is survive. After attracting the wrong sort of attention from the richest boy in the country, pissing off the hottest guy in school and being humiliated in front of my favorite rock idol I am now the target of the most popular, and cruelest, group in the freshman class. They want my blood. They can have it. I'm stronger than any spoilt rich kid. But can I survive the game the Juniors have started with me as the goal? Now every boy at Hannaford wants to have me. All except the three I want. Ash, Harley, and Blaise don't care about the game, all they care about is destroying me.

Adulthood Gabbie Hanna 2017-09-19 Comedian Gabbie Hanna brings levity to the twists and turns of modern adulthood in this exhilarating debut collection of illustrated poetry. In poems ranging from the singsong rhythms of children's verses to a sophisticated confessional style, Gabbie explores what it means to feel like a kid and an adult all at once, revealing her own longings, obsessions, and insecurities along the way. *Adulthood* announces the arrival of a brilliant new voice with a magical ability to connect through alienation, cut to the profound with internet slang, and detonate wickedly funny jokes between moments of existential dread. You'll turn to the last page because you get her, and you'll return to the first because she gets you.
